

Så er der en ny opdateret liste på de HOSTA, som vi har plantet i 2024 eller tidligere og dem som vi har fået i 2025 – det fremgår af skemaet, hvornår de er plantet. Forbehold for udsolgte planter..... (Listen er opdateret februar 2025)

Prisgrupperne: Da vi i 2025 udvider vores Hosta sortiment med ca. 50 'Nyheder i gartneriet' – har vi indført nyt 'prismærke' system med 'bogstav' i stedet for 'farveplet. Så alle planter fremover får 'bogstav' mærke, i stedet for den kendte 'farveplet.

Du vil i en lang overgangsperiode møde både 'farveplet' og 'bogstav' mærkningen.

BEMÆRK: Første bordnummer kolonne er der, hvor planterne er ældst/størst.

HUSK: Ta' kun de planter med 'vores' etiket i.....
